WORK EXPERIENCE

JOS UNIVERSITY TEACHING HOSPITAL - *Jos, Plateau state* January 1, 2019-December 31, 2020

Web Developer Intern

I helped in automating the medical institution. I worked with other medical professionals.

- I worked on the system analysis aspect of the organization, I gathered user requirements for the sites we worked on.
- I worked on the front-end and back-end of the sites we worked on. We used HTML,CSS,Javascript and react for the frontend and Node and express for the backend,I used mongodb for the backend.
